

## Department of Kinesiology Supplemental Endorsement in Physical Education (21 Credit Hours)

The Department of Kinesiology offers a supplemental endorsement for students enrolled in a College of Education teacher education program at Mississippi State University. Below is a list of recommended classes for elementary or secondary education majors; however, any 21 hours with the PE prefix is acceptable. The courses below are recommended for Education Psychology students pursuing a Physical Education Concentration. This supplemental endorsement is not available for students in the Teaching and Coaching Concentration in the Department of Kinesiology.
